**Memorandum of Understanding
between
The Association of Mandhata Samaj UK
and
its affiliated organisations.**

By virtue of its registration as a Charity, The Association of Mandhata Samaj U.K. offers all the advantages of such registration under the law to its affiliated organisations.

Any organisation wishing to take advantage of this offer will have to meet the following conditions:--

- (1) The organisation must have paid its affiliation fee and must remain a fully paid member throughout the period of any benefit.
- (2) Before making use of the Charity registration for their own purposes the organisation will be required to seek written permission from the AMSUK who reserves the right to grant permission or otherwise at its discretion.
- (3) If there are any financial transactions involved, these will be kept separate from other transactions and fully accounted for including any interest received, in a dedicated bank account operated by the organisation. The organisation will keep the AMSUK fully informed and send copies of the bank account statement to AMSUK at regular intervals. A copy of the year end statement as at 31st March must be lodged with AMSUK.
- (4) Copies of all correspondence with a third party or tax refund claims must be sent to the Secretary of AMSUK. All paperwork will have to be prepared by the organisation at its own cost.
- (5) An organisation will do no such thing as will tarnish the good name of the Charity or to put any financial burden on AMSUK. Hence consultation at all stages should be maintained.
- (6) AMSUK wishes to help its affiliated organisations as much as possible. We urge you to seek advice as early as possible before the event.

We have read and understood the above conditions and we abide by them.
