HAPPY NEW YEAR 2021

Dear Friends,

Namaste. Jai Shree Krishna. Hope you are all safe and well.

It's been my pleasure to serve as President of AMSUK. I wish to take this opportunity to wish all our community members a very happy, healthy, peaceful and prosperous New Year 2021.

The year 2020 has been one that we will never forget. The emergence of COVID-19 pandemic has severely impacted individuals from all walks of life including our Community. The rapid spread of the coronavirus has posed enormous health, economic, environmental and social challenges to the entire human population.

However, we begin year 2021 with renewed hope and optimism. May this year bring us all, lots of good health, joy and happiness.

The safety and well-being of our community members is of utmost priority and as such, we will keep reviewing the pandemic situation on a regular basis and update our members regarding any changes. In the meantime, we must all act responsibly and follow UK Government's advice/guidance at all times to keep the coronavirus under control.

Remember: Coronavirus has NOT gone away. We all need to keep safe and keep others safe.

Also, remember, it's not all gloom and doom. There is always light at the end of a tunnel. Nothing lasts forever. Every beginning has an end. The availability of the new Pfizer-BioNTech and Oxford-Astra Zeneca vaccines in the UK is a significant moment in the fight against the virus. And with these vaccines and our faith, belief and hope, and by the grace of God, we will get through this pandemic and get back to normality.

My sincere thanks to AMSUK Management Committee and our Community members for their continued support.

Finally, our thoughts and prayers are with the families and friends of those members of our Community, who are no longer with us today and who will dearly be missed.

I wish you all the very best for the future. Good luck and God bless.
